JAIN CENTRE LONDON

EXCLUSIVE INAUGURAL JAIN RATNAKAR SCHEME

The **Grand Pratishtha Mahotsav** of the new Jain Centre London in August 2023 was a remarkable success. From the heartfelt vision of the late Dr Natubhai Shah, the reality we cherish today has been a journey of faith, community and perseverance. Each brick tells a story of devotion of donors, supporters and well-wishers. The Trustees of the Jain Network are immensely grateful to the thousands of devotees who have showered our SHRI SANGH with immense blessings and support.

The **magnificent new Jain Centre** is an architectural splendour for the SHRI SANGH and visitors from around the world. Easily accessible from central London, it is inclusive of all Jain traditions and a **global hub** for the promotion of Jain values in the western world, especially among the younger generations.

We are now launching the exclusive **Inaugural Jain Ratnakar scheme** for a limited number of esteemed benefactors to help raise the remaining funds of the overall £12 million cost of the new Jain Centre. The Inaugural Jain Ratnakar Scheme has a **target of £600,000** towards the £1.5 million required to fully complete the new Jain Centre.
